

## General information about our tents

Our tent inventory includes both frame and pole tents. Frame tents have a metal frame and no center poles, while pole tents generally are supported by poles around the perimeter and in the center.

We have a wide variety of frame tents from 10 feet by 10 feet up through 30 feet by 60 feet. Our pole tents range in size from 20 feet by 20 feet up to 60 feet by 180 feet.

We take pride in our clean quality tents. Let our staff assist you in choosing the right tent for your special event.

In addition, our inventory also includes tent curtains, chairs, lighting, tables, bar equipment, coolers, barbeque grills and heaters.

We service the entire Greater Cincinnati area and surrounding communities.

**Call us at 859-581-0390 or  
513-887-7779 for all your tent  
and party supply needs**
